Seminar 3 "TWEENAGER TIME!"

RUNS 9AM—12:30PM — \$170/ Working Spot — \$35/ Audit Spot

A workshop just for the TWEENAGE DOGS! What is a "TWEENAGER", you ask? A dogs whose age OR training level has them past foundation training, but not yet ready for full-blown competition courses. Lee will present level-appropriate exercises and short handling drills, which test your training and boost your current skill-set up a notch. Learn to understand your dog's commitment point to obstacles and smooth out handling lines. Lots (and we means LOTS!) of running is in your future, so tie your laces and prepare to learn!

Open to teams who can reliably sequence with jumps and tunnels.

Seminar 4: "THE FUN FACTOR"

RUNS 1:30PM—5PM — \$170/ Working Spot — \$35/ Audit Spot

A workshop for building groundspeed and enthusiasm in your agility dog!

In this workshop you will...

*Learn to encourage groundspeed and forward drive by tapping into your furry teammies instinct to **PLAY & CHASE!**

*Practice consistent and timely behavior marking and reward placement, so your canine teammie has zero doubt that their effort to hustle is what yields rewards!

Open to teams of any experience level who wanna run faster or just increase their FUN FACTOR together!

Thursday, August 22

Seminar 5: “ALL THE BACKSIDES”

RUNS 9AM—12:30PM — \$170/ Working Spot — \$35/ Audit Spot

It's time to work, hone and tighten those backsides (and you don't even have to do any squats!). Lee is going to break down and train today's trendy backside maneuvers: wraps, slices, blinds and more!

Open to teams of any level who can reliably sequences with jumps and tunnels. Lee will individually offer coaching and training advice based on your dog's level.

Seminar 6: “THIS OR THAT?”

RUNS 1:30—5:00PM — \$170/ Working Spot — \$35/ Audit Spot

Contrast training at it's finest! Lee will present participants with both the commonplace obstacle discrimination tests, as well as the rare, incredibly tough set-ups which eat agility teams for breakfast.

Open to teams that can reliably sequence with all obstacles, as contacts and weaves may be utilized.

Friday, August 23

Seminars 7 & 8: “GO THE DISTANCE ~ International Style”

This seminar will be offered twice, an AM & PM edition.

\$170 / Working Spot — \$35 / Audit Spot

GET READY TO RUN! If you compete on international style courses (UKI or AKC ISC), then this is the seminar for you! Lee will treat participants to shorter sequences with maximum distance between the obstacles! Greater speed into the obstacles = greater handling challenges galore! All of your skills will best tested against all the contrast training tests.

Seminar 7: AM edition, 9AM-12:30PM

Seminar 8: PM edition, 1:30-5PM

Open to teams with international-chops who are hungry for a hefty challenge! All obstacles may be used.
